

# Smoke Alarm Installation and Maintenance Program

**Fact:** New compliance standards require smoke alarms to be installed

**Fact:** The Landlord is to ensure the smoke alarm is working at the start of tenancy

**Fact:** Where there are no smoke alarms, long life photoelectric alarms are to be installed

## 2 Easy Steps to Comply with the New Standards

**1**

**Low Price Annual Maintenance Service \$87.50 (Inc. GST) includes:**

- Call out, service and certification
- Maintain, test and service all alarms
- Replace all batteries for FREE
- Verify all expiry dates
- Unlimited Inspections
- Provide a certificate of compliance

**2**

**Smoke Alarm Replacement and Installation \$66 per alarm (inc. GST):**

- Sealed long life lithium ion battery
- Tenant unable to access battery
- 10 Year Parts Warranty
- NZ Fire preferred technology
- Fully compliant with new regulations
- 99.99% reliability rating

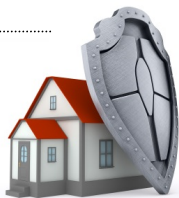

### Smoke Alarms are now Mandatory

To ensure your property is compliant, we have partnered with

**National Smoke Alarm Services**
